How to Submit Your Multisite Initial Protocol Submission Form

3. How to Complete Form

1. Click on **“Start xForm”** in top left of the screen.
2. Click on the link for **“Multisite Initial Protocol Application”**.
3. Complete the application by clicking **“Next”** on each page.

If you do not have all the information for any page, you can bypass the error messages by using the dropdown menu in the top center of the form; select the next page you wish to view and continue to fill out the other pages.

You can always **“Save for Later”** using the button on the bottom of each page - if so, the next time you log in go to the link for **“Unsubmitted xForms”** in the center of your homepage.

4. Upon completion of application you will enter your password as your electronic signature. Click **“Submit”** to send your application to the IRB.

There is a **“Collaborator”** feature that allows you, site staff, or the Sponsor/CRO Project Manager to work on the form together. This feature is on the top center/left of the form. Add the collaborators email and give them access to view your submission form.

Check & Submit Form

Castle IRB strives to accelerate the IRB review process where possible. This includes new protocol submissions.

Please choose from one of the following ways to submit your new Initial Protocol Application:

Option 1: Let's do it together on a call [Email irbteam@castleirb.com with 3 available 90-minute time slot options (in Central Time) in the next 3 business days]. No need to continue with this form, just expect one of our team members to reach out to you shortly with a calendar invite.

Option 2: I'll take care of it [Proceed with this form].

4. Following Your Submission

1. Our IRB team will contact you if they have any questions upon receipt of your submission.
2. You will receive an **email notification** once the IRB has reached its decision - with a link to your IRB documents.
