

## **LinkedIn Update: Sabai Rebranding**

Followers of Clinical Biosafety Services, Castle IRB, Alpha IRB, and Shield Consulting channels will soon be integrated into Sabai's current LinkedIn channel.

Saint Louis, MO – March 22nd, 2024

Sabai is rebranding to one company name and as such the four subsidiaries listed below will be integrated into the one Sabai name.

This notification clarifies that the following LinkedIn channels will be integrated into [our current Sabai LinkedIn page](#):

- [Clinical Biosafety Services](#)
- [Castle IRB](#)
- [Alpha IRB](#)
- [Shield Consulting](#)

### **About Sabai**

Sabai IRB Services provides quality-driven, personalized ethical reviews for multi-therapeutic research through its AAHRPP-accredited IRBs. The Sabai IBC team provides expert IBC Reviews for oncology, rare disease, and gene transfer/therapy clinical trials as a central IBC and through Concierge support to local IBCs. We lead with science and differentiate with service.

Bringing our subsidiaries together is the next step in our company's rebranding and growth strategy.
